Stevie,

More detailed information regarding sample shipments will be sent tomorrow morning, but I wanted to let you know that samples were sent to Region 3 and Region 9 for Saturday 1/28/12 delivery. We will call Region 9 in the morning and provide them with notification as well as the tracking numbers. Additionally, samples were driven to Region 2 for MBAS analysis today (1/27/12).

Please let me know if you have any questions.

Thanks
